

Bosco; Aluminium Veranda

Our “bestseller”, choose your own look!

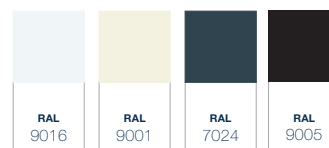

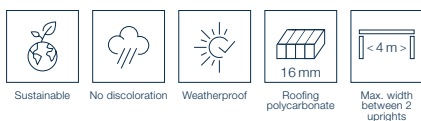

The Bosco is an aluminium veranda with a very high level of finish. In addition, the Bosco has a wide range of choices, such as the finish of the decorative gutter front and the look of the uprights. You can tune the Bosco entirely to your style, taste and preferences. This gives you the perfect match with your home and garden.

Bosco

The Bosco veranda is flexible in design, making it perfect for every outdoor situation

The Bosco has the best price-quality ratio in the market, making it the bestselling model of Deponti. The success of the Bosco lies in the optimal freedom of choice the product offers in the field of looks and possibilities. Because of our modular system, the possibilities with the Bosco are endless and suitable for every situation and every style. This veranda is interlinkable, meaning that the Bosco can be made as wide as you want.
